

Fee Policy

Payment for services is considered a part of your therapy. Please review the following information. If you have questions please discuss them with your therapist. Payment in full is expected at each session unless other arrangements have been made in advance.

I understand that by participating in therapy I am agreeing to pay for services in full.

Missed appointments: Accelerated Couples Therapy sessions are quite lengthy and, therefore, require advance notice to reschedule or cancel. Please allow at least five days' notice for both a reschedule or cancellation. One-hour sessions require 24-hour notice. **Appointments cancelled or rescheduled outside of these timeframes will be charged at the full rate and any deposit made will be forfeited.** Your therapist will, of course, use discretion in the event of illness or other extenuating circumstances. Keeping appointments is a crucial element of therapeutic success and failure to keep appointments is reason for termination of services.
